Duck Creek Technologies Recognizes Coforge as Formation '23 Innovation Anywhere

Hatch-a-Thon Champion

Experience seamless communication and effortless document access with Coforge's game-changing concept, "document delivery using WhatsApp." As a policyholder, you can now connect directly with your insurer through the Duck Creek Platform, making interactions more convenient than ever. Retrieve your important documents simply by using your policy number, eliminating the hassle of lengthy processes. Plus, enjoy the added benefit of translation capabilities, ensuring that you receive your documents in your preferred language. This customer-centric solution empowers you to easily communicate, access information, and engage with your insurer, providing a personalized and streamlined experience.
