

INDUSTRY LEADING LOSS CONTROL SOFTWARE

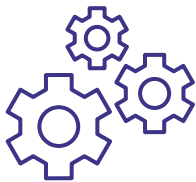

Duck Creek
Technologies

Duck Creek Loss Control is the leading provider of Loss Control and Safety software to the insurance industry.

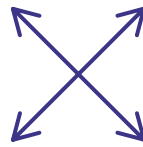

WHAT WE DO

Duck Creek Loss Control was build to help insurance companies improve their loss control operations, reduce claims, optimize pricing, and increase customer retention.

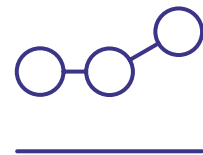

Automate Activities

Automate and streamline all your control activities.

Maximize Coverage

Uncover hidden risks and maximize client coverage.

Accelerate Analytics

Unifying and democratizing your loss control, and company-wide data.

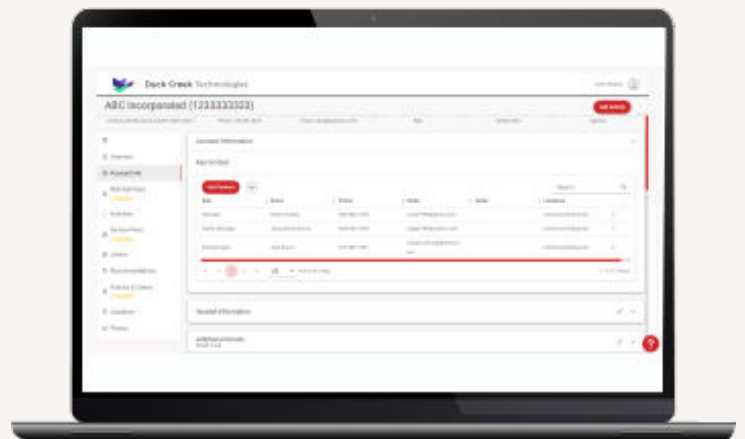

PREDICT AND PREVENT

Platform Ecosystem

Deploy Duck Creek Loss Control out of the box integrations and public APIs to connect Loss Control with broader ecosystems, elevating organizational value.

Work Management

Automatically assign tasks and recommendations, manage service plans, schedule visits, map routes, work offline and consolidate all data in one easy-to-manage tool.

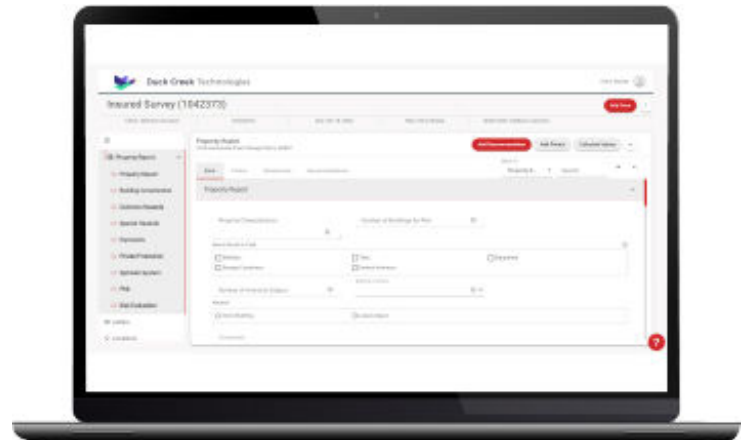

Combining Cutting Edge Technology and Industry Expertise

Account Selection and Targeting

Leverage predict and prevent strategy through Duck Creek Loss Control advanced automation engine, optimizing account selection and deploying the most appropriate service approach for each customer.

Automated Reports and Letters

Easily create and manage configurable reports and letters that automatically fill relevant account and survey information. Demonstrate value to customers through in-depth stewardship reports.

Business Intelligence and Reporting

Conduct risk scoring, trend analysis, benchmark reporting and more. Build analytic reports and dashboards in Duck Creek Loss Control native BI suite, or integrate with your internal tool of choice.

Customer Engagement

Complement traditional visit optimization with Duck Creek Loss Control virtual and direct survey tools. Service 100% of your book of business and maximize risk mitigation.

About Duck Creek Technologies

Duck Creek Technologies is the intelligent solutions provider defining the future of the property and casualty (P&C) and general insurance industry. We are the platform upon which modern insurance systems are built, enabling the industry to capitalize on the power of the cloud to run agile, intelligent, and evergreen operations. Authenticity, purpose, and transparency are core to Duck Creek, and we believe insurance should be there for individuals and businesses when, where, and how they need it most. Our market-leading solutions are available on a standalone basis or as a [full suite](#), and all are available via [Duck Creek OnDemand](#).
