

Duck Creek's Comprehensive Product Suite

Insurance Software that Drives Profitable Growth

In an industry defined by uncertainty, P&C carriers need disciplined operations to stay resilient and profitable. Yet, many are held back by tethers to legacy systems or manual processes—outdated anchors that stall innovation and limit growth.

It's time to cut those ties and modernize operations. Welcome to the future of P&C insurance, where Duck Creek Technologies is not just refining what you do, but revolutionizing how you do it.

Comprehensive P&C Suite Provides Control and Confidence

For over two decades, Duck Creek has led insurtech transformation. From pioneering a secure, cloud-native, low-code, open API architecture to delivering evergreen upgrades and AI innovation, we're consistently pushing the boundaries of efficiency and scalability.

Unlike others who merely skim the surface, our deep well of industry expertise delivers the digital backbone fundamentals and specialty essentials carriers demand to remain relevant, competitive, and profitable.

Accelerate Growth

Drive innovation and agility, optimize resources, and delight customers.

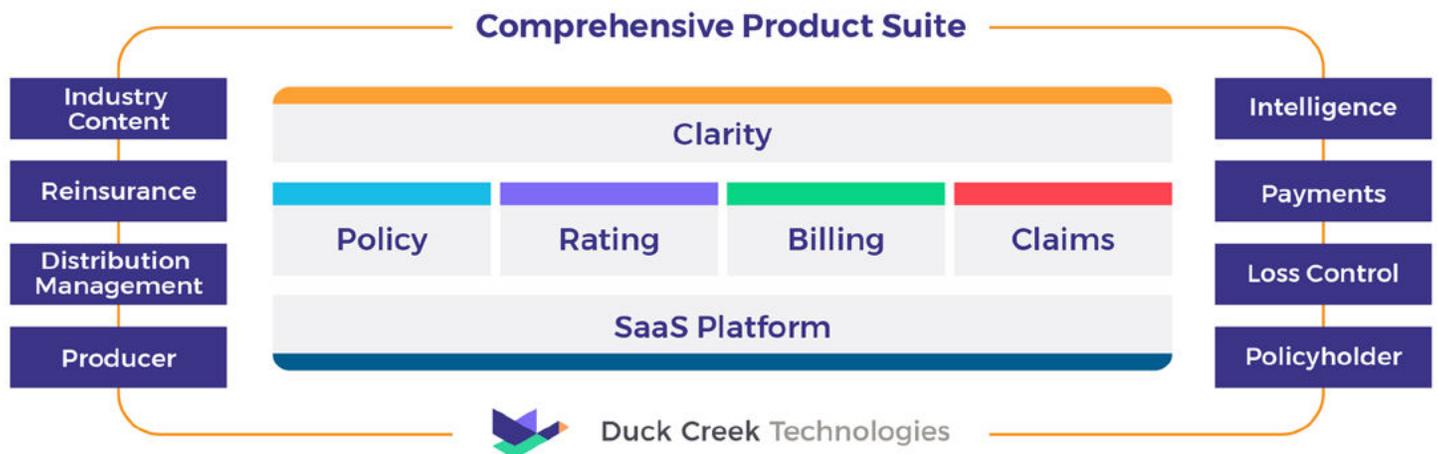

Boost Profitability

Automate, cut costs, underwrite smarter, and boost profitability.

Manage Risk

Protect assets, predict trends, ensure compliance, and future-proof business.

Built for P&C Insurance | Low Code | Open API | Evergreen | AI Innovation

Chart Your Course: Innovate and Dominate

Duck Creek's interconnected solutions are designed to create a powerful, self-reinforcing flywheel. Begin your modernization journey anywhere—from a full core transformation to a strategic standalone essential. Each step you take builds momentum, amplifying operational efficiency and competitive advantage across your entire business.

Duck Creek Clarity

Transform complex, disparate data into crystal-clear, actionable insights for smarter, faster and more strategic and confident decisions at every stage of the insurance lifecycle.

Duck Creek Policy

Deliver speed, pinpoint accuracy, underwriting profitability, and a seamless experience from initial quote to final issuance across LOBs.

Duck Creek Loss Control

Proactively mitigate risk, refine risk-based pricing, reduce frequency and severity of loss, and expand risk appetite and access to new markets.

Duck Creek Rating

Accelerate go-to-market and quote-to-bind cycle, reduce underwriting guideline deviations and pricing errors, and risk classification accuracy.

Duck Creek Intelligence

Automate processes and create smarter workflows across the insurance lifecycle through Machine Learning and Artificial Intelligence.

Duck Creek Billing

Optimize billing, accelerate collections, reduce costs, fortify financial controls, and improve agent and customer experiences.

Duck Creek Payments

Streamline payment processing, accelerate cash conversions, unlock frictionless customer service, and improve retention.

Duck Creek Claims

Scale to volume, reduce handling costs, minimize leakage, reduce fraud and financial risk, and enhance compliance across LOBs.

Duck Creek Reinsurance

Strengthen internal control and risk mitigation, optimize capital allocation for expansion, and improve ROE and financial ratios.

Duck Creek Industry Content

Quicken time to market, ensure regulatory compliance, reduce costs, and scale to meet the demand and new market opportunities.

Duck Creek Producer

Deliver valuable and satisfying portal experiences for more productive agents and brokers, reduce costs, and increase volume.

Duck Creek Distribution Management

Speed up producer onboarding and engagement, ensure compliance, and deliver personalized customer experiences that drive revenue growth.

Duck Creek Policyholder

Empower policyholders with intuitive, personalized customer self-service that optimizes efficiency, boosts loyalty and retention, and cuts operations costs.

Take the next step with confidence. Our solutions, amplified by our extensive partner ecosystem, are designed to maximize your investment and accelerate your growth.
