

Expert Care Anytime, Anywhere

Empower your workforce with 24/7 expert medical care, reducing ER visits and improving outcomes for your business and employees.

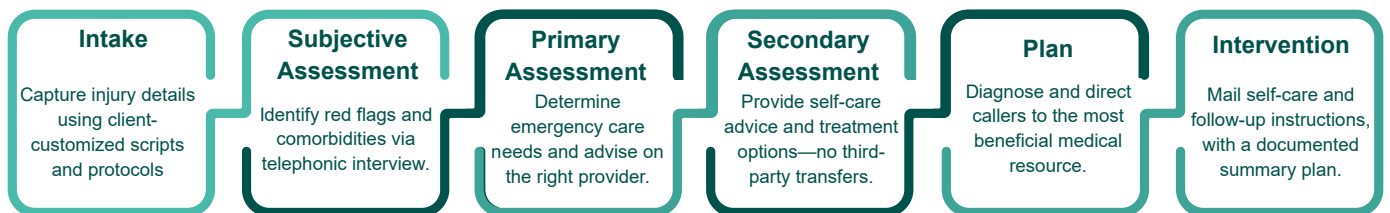

StrataCare's 24/7 Nurse Triage connects employees to experienced nurses for immediate medical advice and thorough claim documentation. Using tailored protocols and advanced technology, including talk-to-text and multilingual support, the service ensures safe, effective care and secure, easy access to call recordings for quality assurance.

Why StrataCare Nurse Triage?

- ✓ 24/7 nurse access
- ✓ Multilingual Service
- ✓ Expert medical assessment
- ✓ Stronger employer-worker trust
- ✓ Cost-effective support
- ✓ Secure call recordings
- ✓ Less time away from work
- ✓ Enhance Provider relationship
