

Intelligent Interactions. Simplified Payments.

The Transformational Solution for Insurance

Payments Designed for Today's Insurers

Paymentus helps improve performance and reduce insurers' cost to serve by delivering a purpose-built platform for inbound and outbound insurance payments. Through the power of the Duck Creek Payments embedded platform, insurers access a seamless, modern experience that drives policyholder satisfaction and on-time payments.

Binder to Recurring Premium Payments Acceptance

Offer ACH, credit/debit, PayPal, Apple Pay, and Google Pay digital wallets, and more.

Expanded Payment & Digital Disbursement Channels

Accept and disburse funds through a variety of channels that include web and mobile.

Streamlined Reporting & Reconciliation

Access comprehensive analytics, track digital adoption and policyholder behavior, and view all payment activity within the Paymentus platform.

Proven Cost Savings Expertise

Achieve cost savings by leveraging Paymentus' experience helping insurers optimize internal workflows, reduce operational expenses, and improve efficiency through enhanced self-service capabilities and expanded payment options for policyholders.

Integration Experience & Proven Partnership

Seamlessly future-proof your system through the collaborative partnership of Duck Creek and Paymentus.

Serving the Full Spectrum of Insurers
